## **I. Aims**

1.1. At St John's Church of England Academy, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of a high quality curriculum matching our curriculum expectations.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

**Tier 1, 2 and 3: The default position for all areas in national government intervention is that education and childcare settings will remain open.**

**Tier 4: Open for priority groups: vulnerable children and children of critical workers.**

**2.1 Trust board and Local Governing Boards** are responsible for:

- Ensuring that the school has robust risk management procedures in place.
- Ensuring that the school has a business continuity plan in place, where required.

- Evaluating the effectiveness of the school's remote learning arrangements.
- Monitoring the school's approach to providing remote learning to ensure education remains as high quality as possible and is in line with the school's curriculum vision and plans.
- Ensuring that staff are certain that systems are appropriately secure, for both data protection and safeguarding reasons.

## **2.2 The Headteacher** is responsible for:

- Ensuring that staff, parents and pupils always adhere to the relevant policies.
- Ensuring that there are arrangements in place for identifying, evaluating, and managing risks associated with remote learning including health and safety risks as well as ensuring GDPR compliance in consultation with the Trust DPO.
- Putting procedures and safe systems for learning into practice, which are designed to eliminate or reduce the risks associated with remote learning.
- Ensuring that vulnerable pupils are provided with necessary information and instruction, as required.
- Overseeing that the school has the resources necessary to action the procedures in this policy.
- Ensuring that there are arrangements in place for monitoring incidents associated with remote learning.
- Arranging any additional training staff may require to support pupils during the period of remote learning.
- Conducting regular reviews of the remote learning arrangements to ensure pupils' education does not suffer.
- Managing the effectiveness of health and safety measures through a robust system of reporting, investigating, and recording incidents.
- Reviewing the effectiveness of this policy on a regular basis (at least annually) and communicating any changes to staff, parents, and pupils.

## **2.3 The School Business Manager** is responsible for:

- Arranging the procurement of any equipment or technology required for staff to teach remotely and for pupils to learn from home.
- Ensuring value for money when arranging the procurement of equipment or technology.
- Ensuring that the school has adequate insurance to cover all remote working arrangements.
- Overseeing that all school-owned electronic devices used for remote learning have adequate anti-virus software and malware protection.

## **2.4 All Staff members** are responsible for:

- Adhering to this policy at all times during periods of remote learning.
- Reporting any health and safety incidents to the headteacher asking for guidance as appropriate.
- Reporting any safeguarding incidents to the DSL and asking for guidance as appropriate.
- Taking part in any training conducted to meet the requirements of this policy, including training on how to use the necessary electronic equipment and software.
- Reporting any dangers or potential dangers they identify, as well as any concerns they may have about remote learning, to the Executive Headteacher
- Reporting any defects on school-owned equipment used for remote learning to the Executive Headteacher or relevant member of staff.
- Adhering to the Trust Staff Code of Conduct at all times.

## **2.5 Teachers** are responsible for:

- Setting work –
  - Set work that is meaningful and ambitious each day in a range of subjects. The core of this must be inline with what pupils would receive in school each day.

- Teach a well-planned and sequenced curriculum, so that knowledge and skills continue to be built incrementally with a good understanding about what is intended to be taught and practised in each subject.
- Provide frequent clear explanations of new content delivered by the teacher in school, or through high quality curriculum resources and videos.
- Teachers will set a clear timetable of work to include broadly what they teach each day. The morning learning will be focused around reading, writing and mathematics. The afternoon will be based around their enquiry lessons from their medium term plans. Within this will be PE, PSHCE, P4C and RE sessions.
- Work will be uploaded onto Tapestry, See-saw or Atom. We will aim to get paper copies out to parents as soon as we are able, where this is requested.
- Communication will be maintained via email, Tapestry/Seesaw, Atom and phone.
- Teachers will plan work from their medium term plans in reading, writing and mathematics, as well as their medium term plans for the wider curriculum subjects. There should be little or no break in the planned sequence of work. Texts and resources may change as a result of remote learning.
- The school will accept a range of different teaching methods during remote learning to help explain concepts and address misconceptions easily. For the purpose of providing remote learning, the school may make use of workbooks, email, Oak academy, BBC Bitesize, reading tasks, and pre-recorded video or audio lessons.

#### Providing feedback on work:

- The school expects pupils and staff to maintain a good work ethic during the period of remote learning.
- Feedback can take many forms and may not always mean extensive written comments for individual children. For example, whole-class feedback or quizzes marked automatically via digital platforms are also valid and effective methods, amongst many others. We feel that it is vital for teachers to stay in regular contact with children and parents.
- Finished work can be uploaded to Tapestry, Seesaw, photographed and emailed to teachers, submitted via Atom for teacher feedback or recorded in their workbooks which will be handed in at the end of the self-isolation period or lockdown. Weekly phone calls to children working remotely on paper will support those who do not have access to the internet.
- Teachers will use their normal formative assessment strategies to gauge how well pupils are progressing through the curriculum and adjust accordingly the pace or complexity of task for the pupils to ensure understanding.
- Pupils are accountable for the completion of their own schoolwork. Teaching staff will contact parents via email and by phone if their child is not completing their schoolwork or their standard of work has noticeably decreased.
- Teachers will monitor the academic progress of pupils with and without access to the online learning resources and discuss additional support or provision with the Headteacher as soon as possible.
- If children are required to self-isolate due to a family lockdown, teachers will upload via tapestry, seesaw, atom or email plans and resources to parents; feedback will be provided to children. If paper copies are preferred – these will be provided as soon as is possible with the

expectation that they would be handed in for feedback on return. Staff will communicate with parents via email and phone.

- Teachers will monitor the academic progress of pupils with SEND and discuss additional support or provision with the SENCO as soon as possible.
- Keeping in touch with pupils and parents:
  - Teachers will make contact with parents of pupils not in school via email. If the whole class is in lockdown then work will be uploaded and teachers will be available for responding to teaching and support between the school hours of: 9.00am to 4.00pm. Those working with limited online support will get a weekly phone call.
  - If we are in a Tier 4 Lockdown where some children are in school and some are home; teachers will respond to emails, on-line questions and provide feedback when they are able but please be aware that they will be planning for both school and remote learning, teaching in class and then responding to your questions and the children's work so the response will not be immediate. Feedback may include the following:
    - Acknowledgement of completed work to recognise engagement.
    - Scores from on-line assessment tasks and Quizzes. Staff acknowledging effort as well as success and addressing misconceptions to move learning forwards.
    - Verbal feedback to children and parents via platforms and telephone conversations.
    - Emails – communication between teachers / parents / children with written comments and suggestions as to how to upskill their work.
    - Where paper packs are provided these can be returned and replaced on a regular basis - weekly / bi-weekly basis.
    - Zoom class discussion and feedback sessions.
  - Teachers will ensure that any complaints or concerns shared by parents and pupils are reported on CPOMS and referred to the DSL / Headteacher in line with the Safeguarding/Complaint process
  - Teachers will address any behavioural issues, such as failing to complete work, during this time by contacting parents via phone, email or teachers to parents.
- Attending virtual meetings with staff and external agencies, parents, and pupils:
  - Staff are expected to dress as they would in school for formal external meetings
  - When attending a remote meeting, choose a location that is quiet, tidy and where it is unlikely to be disturbed.

If teachers are working in school part-time, or are required to work from home during a lockdown, duties will be shared out amongst all the other staff who are on site. Supervision at lunch and break-times will be shared amongst staff on-site.

## **Remote Learning Scenarios**

As a result of the current situation there may be three possible scenarios that we may be faced with.

**Scenario 1: A child is self-isolating/quarantining at home – Due to Covid19 or through Track and Trace or awaiting test results.**

**Scenario 2: The pupil's class is sent home to isolate including staff.**

**Scenario 3: The school is only open to vulnerable children and children of critical workers.**

**Remote learning will not be provided for children whose parents are choosing to keep them away from school other than for reasons in Scenario 1 and 2.**

**Scenario 1 and 2:**

**Day 1:**

- Admin staff to inform teacher that a pupil is self-isolating / awaiting test results. Or Admin staff to inform parents that pupils are to remain home for 14 days upon advice from Public Health England.
- Parents to access The Oak National Academy site. Click on Lessons; Schedule and then the appropriate year group to access the schedule for their child.
- Parent to support the child in accessing and working through the areas covered for the day.

**The Oak National Academy website is funded and supported by the government and staff are familiar with the content which links to the National Curriculum for each Key Stage.**

**Day 2 – 14:**

- The teacher will make contact with the pupils / parent via email, Tapestry, See-Saw or Atom to share the learning tasks. This will be a combination of recorded lessons, on-line activities and non-computer based learning; The Oak Academy and BiteSize Resources.
- Parents / pupils can contact the teacher to upload work, send photographs, ask questions, gain support. Staff will offer feedback if appropriate to move the learning on but detailed feedback will not be provided for every piece of work submitted.
- This will continue until children return to school after the 14 days.
- The government expects pupils to work at home as if they were in school and therefore work is mandatory.
- Additional websites for activities to complete at home will be added to the school website

**If the pupil is ill with Covid19 there is no expectation to complete or return work. The parent will need to inform school that their child is ill. If the pupil is in isolation or quarantining, then they will need to complete and submit all work set.**

**It is expected that the pupil will be back from Day 15 unless they are ill with Covid19.**

**Scenario 3:**

**The school is only open to vulnerable children and children of critical workers.**

**Day 1 to 4:**

- Children of critical workers and vulnerable children to attend school setting as usual.
- Parents of pupils not at school are to access The Oak National Academy site. Click on Lessons; Schedule and then the appropriate year group to access the schedule for their child.
- Parent to support the child in accessing and working through the areas covered for the day.

**The Oak National Academy website is funded and supported by the government and staff are familiar with the content which links to the National Curriculum for each Key Stage.**

**Day 5 onwards:**

- We teach the same curriculum remotely as we do in school wherever possible and appropriate. However, we have needed to make some adaptations to foundation subjects where we refer children to the Oak Academy website, BBC Bitesize and Gloucester Games to provide suitable resources to support remote learning.
- We expect that remote education (including remote teaching and independent work) will take children broadly the following number of hours each day:

EYFS Key Stage 1	As a minimum, teaching will be no less than 3 hours.
Key Stage 2	As a minimum, teaching will be no less than 4 hours.

- The teacher will make contact with the pupils / parent via email, Tapestry, See-Saw or Atom to share the learning tasks. This will be a combination of recorded lessons, on-line activities, non-computer based learning; The Oak Academy and BiteSize Resources. Parents and children will also be contacted via the class email address with resources provided on One-Drive and class sessions via zoom.
- Parents / pupils can contact the teacher to upload work, send photographs, ask questions, gain support. Staff will offer feedback if appropriate to move the learning on but detailed feedback will not be provided for every piece of work submitted.
- This will continue until government guidance changes.
- The government expects pupils to work at home as if they were in school and therefore work is mandatory.
- Additional websites for activities to complete at home will also be available on the school website.

**2.6 Teaching assistants**

Teaching assistants are responsible for:

- Supporting pupils with learning remotely via Atom, Seesaw and Oak National Academy if they are 1:1 with a specific child
  - Pupils with an EHCP are to be specifically supported by the TA who is employed to work with them.
  - Work is to be adapted from the lessons planned by the teacher. Printed copies of work are to be adapted and printed by the TA and delivered to the pupil's home if they are unable to collect.
  - Feedback is given via email and by phone.
- Attending virtual meetings with teachers, parents, and pupils:
  - Staff are expected to dress as they would in school for formal external meetings
  - When attending a remote meeting, choose a location that is quiet, tidy and where it is unlikely to be disturbed.

- If TAs are working in school part-time, or are required to work from home during a lockdown, duties will be shared out amongst all the other staff who are on site.

Pupils not using devices or software as intended will be disciplined in line with the behaviour policy.

The school will risk assess the technology used for remote learning prior to use and ensure that there are no privacy issues or scope for inappropriate use.

The school will ensure that all school-owned equipment and technology used for remote learning has suitable anti-virus software installed, can establish secure connections, can recover lost work, and allows for audio and visual material to be recorded or downloaded, where required.

All members of staff will report any safeguarding concerns to the **DSL** immediately.

Pupils and their parents will be encouraged to contact the **DSL** if they wish to report safeguarding concerns, e.g. regarding harmful or upsetting content or incidents of online bullying.
